- 25X1
- Kagran
- On 11 August 1955, the lean-to sheds for tanks at the Karl Kaserne in Kagran were removed. Billeting equipment, other material, ammunition and timber

All vehicles were driven by soldiers who wore red-bordered black epaulettes. Beginning at 1600, the following weapons and vehicles were entrained at the Vienna-Stadlau railroad station by soldiers with red-bordered

25X1
 - On 12 August, tank trucks were parked at the Karl Kaserne in Kagran. Tank engines, equipment and wooden boards which were to be loaded on 15 boxcars at the Vienna-Stadlau railroad station were transported by the following vehicles from the kaserne between 0830 and 1800: van-like trucks

All vehicles were driven by soldiers who wore red-bordered black epaulettes. At about 1745, the following weapons and vehicles arrived at the Vienna-Stadlau railroad station from Kagran and were loaded in flatcars: 8 JSU-122, 2 JSU-122 chassis, 27 tank trucks, 35 van-like trucks, and 34 trucks

All vehicles were driven by soldiers who wore red-bordered black epaulettes. The 15 boxcars and the flatcars were joined together into one train.

25X1
 - On the morning of 13 August, cleaning up activity was observed at the Karl Kaserne in Kagran. The barbed-wire fence around the fuel dump was removed. The dismantled sheds were sold to local residents or shipped to the Vienna-Stadlau railroad station. In the afternoon, the vehicles observed on 11 and 12 August again carried military goods, including two new tank guns with
